the one on which administrative decision has to be arrived at in the first instance. It will be seen from the discussions in med file 29-18 & 15, 29 + 31 B Dec 1929 and the Council resolution that charge allowance to medical officers in charge of Dispensaries should be given irrespective of their Class, Viz Lady Apothecary or medical Graduate ~~or Subassistante~~ provided the pay of the Officer did not exceed 120 Rs so that ~~only~~ the pay is the real criterion & not the designation or class.

Since the pay of the Sub Asst Surgeon has also been improved it is for orders if the Charge allowance should not be limited to officers drawing less than Rs 120.

2) When the G.O. of 13th July 1918 was passed, the maximum pay of the S.A.S was Rs 90 and the minimum pay of the Asst: Surgeon was fixed at Rs 120. Hence, when a SAS. was placed in charge of a Local Fund Disp: he was allowed the charge allowance, as his pay together with this allce could not exceed Rs 120, the minimum pay of the Asst: Surgeon. But in the G.O. of 5th Oct. 1926, the minimum pay of the Asst: Surgeon was raised

to Rs 150 and the Sub Asst: Surgeons were placed in 3 grades as follows:.

50 - 5 = 100.

100 - 5 - 125

125 = 5 - 150.

The Comptroller now wants specific orders of Govt: on the question whether in view of this improvement of pay, the Sub Asst Surgeons in the grade of Rs 125-5-150 should be continue to draw the charge allowance permitted to be drawn by them under the G.O of 1918. (The question of the limit of Rs 120 referred to by the Comptroller does not arise now as the limit has been enhanced to Rs 150).

~~Perhaps the charge allowance may be admissible to Sub Asst. Surgeons (in charge of dispensaries) below the 1st class and Rs 150.~~

Perhaps the charge allowance may be limited to the Sub. Asst: Surgeons (in charge of L.F. dispensaries) of only the 2nd and 3rd classes only.

(7) It is suggested for consideration that the emoluments in the case of those in the 2nd grade including pay, special charge allowance, be limited to the maximum of the 2nd grade or the minimum of the first grade which are the same at present but which may conceivably happen to be different some time hence. If this is not done, an officer in charge of a dispensary getting Rs 1200/- as pay may conceivably be worse off by promotion to 1250-50-1500 in the same place as he would also be better off than one on maximum pay in the higher grade.

23.11.27

6347/26/11

(8) This is a matter in which the opinion of the Senior Surgeon will have to be first obtained. Whether any charge allowances in addition to pay are given to Sub Asst Surgs in British Provinces may be kindly ascertained. As regards local fund dispensaries, the charge allowances are provided out of the funds of the local bodies. And if it is decided to cut out allowances in the case of the first class Sub. Asst Surgs wholly or partially the saving will not accrue to the Local Fund concerned.

There is certainly an anomaly under the existing arrangements in that a Sub Asst Surgeon on Rs 1500 in charge of a D. Dispensary will get more than an Asst Surgeon on the maximum pay in his grade. But are there parallel instances in other services - eg An amildar at Bangalore or elsewhere sometimes gets more emoluments than the S.D.O. in charge of the Tq - The main question is one of economy and the S. S. has no objection to the maximum emoluments of an S. A. S. officer being maybe limited to Rs 150 inclusive of charge allowances -

Med 3-29-13

To

R.Ranga Rao, Esq., B.A., B.L.,
Chief Secretary to the Government of Mysore,
Bangalore.

SIR,

According to Government Order No.G.679-80/Med.69-16-4 dated 13th July 1918 the allowances drawn by Medical officers other than Sub Assistant Surgeons placed in charge of Local Fund Dispensaries and other institutions specified in the order were discontinued in view of the fact that their emoluments were improved and accordingly Assistant Surgeons placed in charge of these dispensaries are not entitled to any allowance. Subsequently Lady Apothecaries and Medical graduates who were permitted under G.O.No.G.13912-13/Med.29-18-31 dated 18th December 1919 ~~permitted~~ to draw charge allowance like Sub Assistant Surgeons have discontinued drawing these allowances when their scales of pay were revised and their salaries consequently exceeded the limit of Rs.120/- specified in that order.

This limitation of pay Viz., Rs.120/- was apparently imposed since the minimum pay of Assistant Surgeons at the time was Rs.120/- No such limitation was however fixed in the case of Sub Assistant Surgeons as their pay at the time did not exceed Rs.90/-. The pay of Sub Assistant Surgeons has since been raised in Government Order No.G.3645-6/Med.101-25-11 dated 5th October 1926 and the pay of the I class is fixed at 125-5-150. But it is not clear from the order if the limitation applied in the Government Order of 18th December 1919 to Lady Apothecaries and Medical Graduates should be applied to Sub Assistant Surgeons whose pay exceeds Rs.120/- per mensem.

The Sub Assistant Surgeons who were promoted to the 1st class on Rs.125 to 150 in the Government Order No.G.8837-8/Med.67-28-3 dated 23-1-29 who are in charge of the Local Fund Dispensaries have drawn the

the allowance from 23rd January 1929. I request specific orders of Government as to whether in the circumstances stated above the charge allowance is admissible under the Government Order of 5th October 1926 to Sub Assistant Surgeons in charge of the Local Fund Dispensaries whose pay exceeds Rs.120/-.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.

Dated, Bangalore, 20th May 1931.

Under the Government Order No. 679-80 Medl. 69-16-14 dated the 13th July 1918 only Sub Assistant Surgeons placed in charge of local fund dispensaries were entitled to a charge allowance, as the maximum pay of their grade together with the charge allowance would not exceed Rs. 120 which was the minimum pay of an Assistant Surgeon . In a subsequent Government Order dated the 18th December 1919., Lady Apothecaries and Medical graduates were also permitted to draw charge allowance subject to the condition that their total emoluments did not exceed Rs. 120. Since then, the minimum pay of an Assistant Surgeon has been raised to Rs. 150/- and Sub Assistant Surgeons have been placed in the following three grades:-

First Class	125-5-150
Second Class	100-5-125
Third Class	50-5-100

The Comptroller has now sought specific

specific orders of Government whether in view of the above improvement of pay of the Sub Assistant Surgeons, the charge allowance to those whose pay exceeds the limit of Rs. 120 fixed in the Government Order of 18th December 1919 should be continued.

The Senior Surgeon who was consulted is of opinion that the maximum emoluments of a ~~Sub Assistant Surgeon~~ non-gazetted medical subordinate inclusive of charge allowance should not exceed Rs. 150/-.
